Buenos días:

Espero que sigan encontrándose bien, al igual que sus familias.

Solo queda un último empujoncito, vamos a seguir repasando un poquito más, ánimo y sigue dedicándole un ratito al día a realizar las actividades.

Esta semana la tarea de inglés consiste en un Reading y un Writing (fíjate bien, debes usar el Past Simple).

Recuerda que las actividades de Lucy no tienes que enviármelas.

Si lo puedes soñar, lo puedes lograr. Si puedes luchar por alcanzarlo ya es casi tuyo... Nada es imposible si tú haces lo posible para lograrlo.

Rosa is eleven and she loves the circus. She collects circus stickers and there are some circus posters in her room. Last year Rosa went to the circus with her friends. She laughed at the clowns, and she loved the horses, but her favourite people were the acrobats. Now she goes to circus school at the weekends because she wants to be an acrobat. There are twenty students in the school and Rosa is the youngest.

On Saturdays she gets up early. Then she runs in the park. After that she goes to circus school. She has breakfast in the circus café. She does gymnastics in the morning with her trainer. Then she has lunch. In the afternoon she goes riding and to the dance class. Last week she went on the high wire. She wasn't scared, she loved it!
